# Instructions and Example to Prepare a Term

1  Select a term of the category assigned to your country
2  Write a definition of the term (15 to 30 words or so)
3  Find a representative picture of the term (Exact size 400x400 pixels)
   SUGGESTION: use the tool size of the images category of your browser
4  Write a caption defining the relation between term and picture (5 to 20 words)
5  Write and alternative name of the term.
6  Search for 4 interesting webpages related to the term:
   6.1  Copy the links.
   6.2  Search a name or sentence for each webpage linked.

In case you have doubts look the example (GLOBLA WARNING) in the next page.
